4 A similar proposal about the blacksmith & Carpenter mistry seems to be under consideration: 5 It is doubtful if we can go on increasing rates of pay. If the man finds more lucrative employment elsewhere we must appoint someone else on the sanctioned pay. There was obviously nothing to prevent Wesley from applying for the place in the ordy dept.

6 I agree generally
This man has passed the Cotton weaving Technical Examn & has not sufficient scope for promotion in the Central Jail. He is in charge of weaving Carpets which brings in a good return. I shall be glad if some increase can be given to him, at least 5 Rs. We cannot consider individual cases for increase of pay, but

To

Lt.Colonel John Smyth. M.D., I.M.S.,

Inspector General of Prisons in Mysore,

Bangalore.

Through the Superintendent, Central Jail, Bangalore.

Most Respected and Honoured Sir,

I the undersigned most respectfully and humbly beg to bring the following few facts to your honour's kind and benevolent -- consideration hoping that they will meet with success.

The Mysore Government are trying all their best to encourage people to promote industry all over the Province and for the same purpose lectures after lectures were delivered by the Inspector General of Education, and by many others who had much interest on this subject.

As the result of these lectures many Industrial Schoolshave now been opened in many districts, and also in many big taluks of the Province.

One I.M.David, who came from Karoor,about 6 years ago and who was hitherto working at Doddaballapur Government Industrial School, has now been made an Assistant Superintendent of the Molkalmur Government Industrial School on a starting pay of Rs 45/- per month with a promise of raising the pay to Rs 50/-. He has only 6 or 7 Looms under his supervision.

Whereas I am in charge of 15 Looms in this Jail,imparting at the same time necessary instructions to illiterate convicts as well as maintaining discipline.

I have been working in this Jail since 1899,giving entire satisfaction to all my superior Officers; since then, I have introduced ~~instructed~~ the Fly Shuttle Looms in this Jail to weave different kinds of Checks,Towels, Table-cloths, Table-Napkins,Counter-panes, different kinds of Quilts, Carriage-Rugs,Cotton-Carpets,Cotton-Darries, Cairo-Pattern Carpets, and many other kinds of Cloth.

In consequence every year I have been continually showing a net profit of over Rs 2000/- to the Government in the Weaving Department over which I am supervising, with only 30 to 35 Convicts working under me.

I have herein enclosed copy of the statement called for by the Government in the year 1902,showing the work turned out in the Weaving Department,for a period of two years, namely from the 1st. July 1900 up to the end of June 1902,and the receipts amount to Rs 9470-1-5, while the cost of Raw Materials amounts to only Rs 3492-0-6, thus showing a net profit to Government of Rs 5978-0-11, and also I have herewith enclosed the copies of the annual statement on the manufactured articles and raw materials purchased,showing a net profit of more than Rs 2000/- to the Government from the first of July 1907 to the end of June 1910.

I am the only person in the whole Province who holds Diplomas for having passed the cotton Weaving Technical Examination held at Madras and stood first for the Presidency(Vide Copies of Certificates enclosed for your kind perusal). I beg leave to submit that while there are bright prospects,in other places to men of my qualification in the weaving profession there is not much for me in this Jail.

Encouragement

Encouragement and preference were shown to an outsider who has put in only 6 years service in an aided Government Industrial School and who possesses no better qualifications than myself, by being paid Rs 45/- by the Inspector General of Education- Whereas I have put in 12 years service in this Jail drawing only Rs 30/- per month for the last 9 years without any encouragement.

Under these circumstances, I crave your honour's benevolent consideration in the matter, and humbly beg that such encouragement as my merit deserve may be kindly granted to me.

For which act of kindness I shall as in duty bound ever pray for your honour's long life and prosperity.

I beg to remain,
Most Respected and Honoured Sir,
Your most obedient and humble servant,

B. John Wesley

Weaving Instructor,
Central Jail, Bangalore.

From G.Humewright Esq.,
Superintendant, Central Jail,
B A N G A L O R E.

To Lt.Col.,P.H.Benson M.B.I.M.S.,
Inspector General of Prisons in Mysore,
B A N G A L O R E.

Sir,

Adverting to your office memo No.704/J dated 15/16th July 1902 giving cover to Secretary's No.636/364 requesting to report whether any regular account of the articles manufactured in this Jail is kept, and if so, the submission of a list showing the articles manufactured and the prices of cloths realised by each article etc., for the information of Government. I have the honour to submit herewith the statement therein called for, from which it will be observed that the prices realized by the sale of the different articles manufactured in the Central Jail, for a period of 2 years, namely from the 1st July 1900 up to the end of June 1902, amounts to Rs.9470 -1 -5 while the cost of Raw materials amounts to only Rs.3492 -0 -6 thus showing a net profit to Government of Rs.5978- 0-11.

With reference to last para of secretary's docket under reply. I have the honour to state that due supervision is being exercised over all the branches of Industry in the Jail, and the quantity of various kinds of articles manufactured in all the industries is removed to store godowns every day, where an account of them is kept and written up in the respective stock books kept for the purpose by the store keeper, under the immediate order of the Chief Jailor and my control.

I find that there has been a very great improvement in the weaving department to which John Wesley is the weaving Instructor, and he possesses certificates of having successfully passed the Technical Examination of the Madras Government, and has obtained a thorough and complete knowledge in the art of weaving and it is necessary that he should receive a certain amount of encouragement in the Jail department, where his duties are to impart teaching to illiterate convicts and to exercise supervision and economy in the weaving of different cloths; under the above circumstances, I would reccommend that the applicant's case may be favourably viewed and considered and his increase of pay granted by the Government.

I have the honour to be
Sir,
Your most obedient Servant
